

Chocolate Play Dough Recipe

This Chocolate Play Dough looks and smells just like the real thing! To heighten the sensory play experience with the chocolate play dough I have added some Imitation Chocolate Essence to the recipe. This is optional but I totally recommend it as it smells really yummy!

You will need

- 1 Cup Plain Flour
- ½ Cup Salt
- ½ Cup Cocoa Powder
- 2 Teaspoons Cream Tartar
- 1 Cup Water
- 50ml Imitation Chocolate Essence
- 2 Tablespoons Oil

How to make it?

1. Pour all dry ingredients, flour, salt, cocoa powder and cream of tartar into a saucepan.
2. Add oil, imitation chocolate essence and water to dry ingredients.
3. I use a whisk before heating as I find this helps remove lumps and blends the ingredients.
4. Cook over medium heat constantly stirring until it becomes a sticky thick blob.
5. Then turn out onto a clean surface and knead into a smooth blob. Be careful it will be hot.
6. Store in a plastic zip lock bag or air tight container.

Other Notes

- * Imitation Chocolate Essence can be found in most major shopping centres in the cooking aisle with the food colouring, etc.
- * The oil keeps the play dough moist and from drying out. It is also great for giving the chocolate play dough the shining appearance.
