

## **Orange Scented Play Dough**

Orange Scented Play Dough is a refreshing scent adding to the sensory experience of playing with play dough. It also creates an association with colour and smell.

The Orange Scented Play Dough is made using a basic play dough recipe with added orange essence and orange coloured food dye to imitate that of real oranges. It smells just like peeling an orange.

### **You will need?**

- 1 cup plain flour
- 1 Tablespoon oil
- 200ml Water
- 50ml Orange Essence
- ½ cup salt
- 2 Teaspoons cream of tartar
- 1 Teaspoon of orange food colouring (or yellow and red)

### **How to make it?**

- Pour all dry ingredients, flour, salt and cream of tartar together in a saucepan.
- Add oil, food colouring, orange essence and water to dry ingredients.
- I use a whisk before heating as I find this helps remove lumps and blends the ingredients well.
- Cook over medium heat constantly stirring until it becomes a thick blob.
- Then turn out onto a clean surface and knead into a smooth blob.
- Allow the play dough to cool before playing with it.
- Store in a plastic zip lock bag or air tight container.
