

10 Little Candles

10 little candles straight and tall,
Burning brightly, count them all,
(Blowing action), you blow with all your might,
And out goes one little candle light.

*9 little candles straight and tall,
Burning brightly, count them all,
(Blowing action), you blow with all your might
And out goes one little candle light.*

8 little candles straight and tall,
(Blowing action), you blow with all your might,
And out goes one little candle light.

*7 little candles straight and tall,
Burning brightly, count them all,
(Blowing action), blow with all your might,
And out goes one little candle light.*

6 little candles straight and tall,
Burning brightly, count them all,
(Blowing action), you blow with all your might,
And out goes one little candle light.

*5 little candles straight and tall,
Burning brightly, count them all,
(Blowing action), you blow with all your might,
And out goes one little candle light.*

4 little candles straight and tall,
Burning brightly, count them all,
(Blowing action), you blow with all your might,
And out goes one little candle light.

*3 little candles straight and tall,
Burning brightly, count them all,
(Blowing action), you blow with all your might,
And out goes one little candle light.*

2 little candles straight and tall,
Burning brightly, count them all,
(Blowing action), you blow with all your might,
And out goes one little candle light.

*1 little candle straight and tall,
Burning brightly, count one all,
(Blowing action), you blow with all your might,
And out goes that little candle light.*
