Recipe for Play dough

There are numerous recipes out there and I like this one because I find it not be too dry.

- 1 cup plain flour
- 1 tbsp oil
- 1 cup water
- ½ cup salt
- 2 tsp cream of tartar
- 2 tsp food colouring

Pour all dry ingredients together in a saucepan.

Add oil and combine food colouring to water, then add to dry ingredients.

I use a whisk before heating as I find this helps remove lumps and blends the ingredients.

Cook over medium heat constantly stirring until it becomes a thick blob. This is hard work! Then turn out onto a clean surface and knead into a smooth blob.

When cool, store in a zip lock bag to keep it from drying out.
