

## Recipe for Party Play Dough

### You will need:

- 1 cup plain flour
- 1 tablespoon oil
- 1 cup water
- ½ cup salt
- ¼ cup 100's & 1000s sprinkles
- 2 teaspoons cream of tartar
- 2 teaspoons yellow food colouring

### How to make it?

1. Pour all dry ingredients, flour, salt and cream of tartar together in a saucepan.
2. Add oil, food colouring, and water to dry ingredients.
3. I use a whisk before heating as I find this helps remove lumps and blends the ingredients.
4. Cook over medium heat constantly stirring until it becomes a thick blob.
5. Then turn out onto a clean surface and knead into a smooth blob.
6. Allow the play dough to cool before kneading in the 100s & 1000s.
7. Store in a plastic zip lock bag or air tight container.

\*If the play dough is too warm the 100s & 1000s will melt.

\*I also found that warm hands melted some of the 100s & 1000s during playing with it. I had some in sprinkles in a small bowl to add to the play dough during play time.
